WHY CUSTOM BEATS A TEMPLATE

WHAT TEMPLATES CAN'T DO

- ▶ Show calendar built for *how you actually book*: not a generic widget
- ▶ Local SEO targeting “comedy Celina OH”: no boilerplate keywords
- ▶ Performer booking page that matches your workflow
- ▶ Google Business Profile claimed, verified & optimized; templates skip this

THE HIDDEN COST OF “CHEAP”

- ▶ Squarespace / Wix: **\$23–\$65+/mo** forever; a non-negotiable monthly drain
- ▶ Upgrade walls for features you actually need
- ▶ No direct line when something breaks before a big show
- ▶ SitesByMac: **\$35/mo**; one person, one call, it's handled

REVENUE POTENTIAL

60 seats × \$20 cover	\$1,200
2-item min @ \$7 avg	\$840

Monthly Maintenance

\$35/mo = \$420/yr

Year 1 total: \$1,170 · Setup only: \$750

YEAR 1 INVESTMENT

\$1,170

\$750 setup + \$420 year-one maintenance

FIRST DOUBLE-SEATING NIGHT

\$4,080

KNOW YOUR MARKET

- ▶ 55–60 seat intimate basement room in a festival & lake-season corridor
- ▶ Racing weekends, Lakefest, and IC Fest drive strong seasonal foot traffic
- ▶ Beer-forward, whiskey-friendly crowd; high group-table turnover
- ▶ Nearest clubs (Dayton, Columbus, Cincinnati): all urban-booked and hours away
- ▶ Zeke's can own the **authentic Midwest room** identity by default
- ▶ Invisible to anyone outside Celina without a web presence

BAR STRATEGY & HOSPITALITY

- ▶ Pitchers and 100oz beer towers: high margin, fast to pour, group-friendly
- ▶ Simple whiskey cocktails (Old Fashioned, Jack & Coke) fit the demo perfectly
- ▶ Intermission bar boost adds **\$200–\$300** per seating
- ▶ Uber/Lyft promo codes on receipts reduce liability and build goodwill
- ▶ Designated driver raffle: free soft drinks + 2 free tickets to a future show
- ▶ DD program builds goodwill with local police, city, and festival organizers

DEMOGRAPHICS & SPENDING POWER

- ▶ Median household income: **\$62,849–\$66,142**; solidly middle-class market
- ▶ **60%+** of households earn \$50k–\$200k: the entertainment-spending sweet spot
- ▶ **27%** earn \$100k–\$200k; the group-outing, high-spend segment
- ▶ Cost of living index **94**: 6% below national average; disposable income stretches further
- ▶ Unemployment **1.9%**; median rent **\$814/mo**; financial stability is high
- ▶ \$66k in Celina buys the lifestyle of **\$75k–\$80k** in Columbus or Dayton

STAY CLOSE, SPEND LOCAL

- ▶ Most residents commute **under 20 minutes**; city traffic is actively avoided
- ▶ Trips to Dayton or Columbus happen **once a month or less**
- ▶ Celina is the regional hub for dining, shopping, and lakefront activity
- ▶ St. Henry, Coldwater, and Rockford all drive in for their nights out
- ▶ A visible, consistent venue becomes the **default weekend plan**
- ▶ Festival & lake-weekend visitors are already here looking for nighttime options

MIDWEST TOURING PIPELINE

- ▶ Over **500+ working comics** within a 3-hour drive: Chicago, Detroit, Cleveland, Columbus, Cincinnati, Indianapolis
- ▶ Features and openers actively seek **paid routing stops** between major club weekends
- ▶ A tape-friendly room with warm crowds is a **rare and marketable asset**
- ▶ 55–60 seats is ideal for rising comics landing their **first headlining weekend**
- ▶ Word spreads fast in regional scenes; one good room becomes a repeat stop
- ▶ Celina's low cost (gas + one night lodging) makes it an easy yes for routing comics

CROSS-PROMOTIONAL OPPORTUNITIES

- ▶ Lakefest & IC Fest: sponsorship table, print promo, social cross-tagging
- ▶ Eldora Speedway: comedy show bundled into race-weekend packages
- ▶ Mercer County Fair: on-site promo booth and ticket giveaways
- ▶ Local restaurants: pre-show dinner deal combos drive early arrivals
- ▶ Hotels & B&Bs: "comedy weekend" package rates for out-of-town guests
- ▶ Celina Tourism, Lake St. Marys visitor bureau, WCSM radio, and the Chamber of Commerce
